The Project Experience - February-4th

On Saturday February 4th the district youth leadership team will be putting on "The Project Experience" at First Alliance Church in Silver Spring MD from 6pm- 9pm.

"The Project Experience" (as seen at LIFE) is an interactive museum designed by Alliance Youth and Envision. As people are taken on a guided tour they learn about God's heart for the world. They experience highlights of key issues in the world and what the C&MA is doing to help. People are encouraged to interact with the displays as well as respond to what they have seen.

This "Project Experience" is open to

the public and we would like to extend a special invitation to all the churches in the Mid- Atlantic District. Come and bring as many people as you would like. It is a drop in format from 6pm-9m and the event is FREE.

Due to some intense information concerning human trafficking we recommend children in 5th grade and younger do not attend.

God has already used this experience to change and challenge many lives. The Lord willing, the same will happen on February 4th. No need to register or respond, come as you are.

Come and See!

Did you ever feel like you were sure that God had more for you and your ministry but you just didn’t know how to get there? Many who have felt that way have found great momentum toward God’s best for themselves, their families and their ministries through the dynamic ministry of the College of Prayer.

Since 1992, the College of Prayer has been helping Christian leaders like yourself discover all that God has for them and their ministries. Born in the mentoring heart of Armin Gesswein, tens of thousands of pastors and leaders have been gathering to worship, learn, pray, mentor each other and then return to their churches to implement what they had learned and embraced.

In addition to more than 80 campuses worldwide, the College of Prayer is coming to Pennsylvania, and we invite you to this wonderful preview event to be refreshed and energized and to “come and see” what the Lord is doing!
